CANARY WHARF JAZZ FESTIVAL

FRIDAY 15 - SUNDAY 17 AUGUST
CANADA SQUARE PARK, CANARY WHARF
FREE

Space is unreserved and sometimes limited - our advice is to turn up early. For everyone's enjoyment, portable furniture is not allowed and for safety, glass bottles and glasses are not permitted.

At weekends and Bank Holidays, you can enjoy 3 hours free parking in any of our public car parks when you spend £10 at any shop, café, bar or restaurant in Canary Wharf.

2014 sees London's largest free jazz festival feature some fabulous performances from world class artists - all together at the heart of Canary Wharf. With Jazz-funk, Latin, big band, soul, instrumental and folk flavours, the festival culminates in a stunning set from the legendary Andy Sheppard Quartet.

Whether you are completely new to jazz, a committed fan or just love a summer outdoor concert, this is the festival for you. With over 300 shops, cafes, bars and restaurants your visit to Canary Wharf may just tempt you to stay the whole weekend!
