

Historic Croydon Airport Trust

Trustee opportunities

Are you interested in heritage conservation and the community value of independent museums?

The Historic Croydon Airport Trust is the new Charitable Incorporated Organisation established to operate the hugely popular Croydon Airport Visitor Centre (CAVC) and archives. Due to increasing demand, the Historic Croydon Airport Trust is looking to establish a team of "hands on" committed volunteer Trustees to lead the organisation through its next stage of development.

If you have experience in any of the following areas we'd like to hear from you:

- Business planning and development of management/ administration structures
- Volunteer recruitment, management and capacity building
- Museum management and accreditation and/or exhibition development
- Securing corporate funding, patronage, fundraising and/or bid-writing
- Releasing private heritage buildings for community use and/or influencing decision makers

We also seek a prospective new Chairperson with commitment, drive and management experience to direct the charity through an exciting period of development.

The positions are unremunerated. Commitment and time to be effective in the role are essential. A key Trustee responsibility is to ensure the charity meets Charity Commission requirements.

Time Commitment:

The Trustee roles are for an initial two year period. Board meetings are held approximately every six weeks and run for about 2.5 hours. Hours are flexible over the month and require a time commitment of about 16 hours.

How to apply:

Please send a CV and covering letter to admin@historiccroydonairporttrust.org.uk by 27th June 2016. Interviews will be held on 30th June with Trustee inaugurating expected around mid-July 2016. www.croydonairport.org.uk
